R. Ranga Rao, Esq., B. A., B. L.,

Secretary to the Government of His Highness the Maharaja of Mysore.

Bangalore.

Dear Sir,

With reference to your No. G. 11928/Sany., dated 11th May 1927, I have to say that the Executive Committee of the International Health Board has taken no final action in the case of the four candidates whose names were submitted for fellowships. I believe Doctor W. C. Sweet, who is expected to arrive in Bangalore about the fifteenth of June, has been instructed to take this matter up with your Government after his arrival.

Yours sincerely,

J. F. Kendrick

Office of the Sanitary Commissioner
with the Government of Mysore,

Camp, Mysore. dated 19th June 1927.

Dear Mr. Ranga Rao,

Now that Dr. Sweet has arrived, the question of the deputation to America of the four Medical Graduates proposed for fellowships under the International Health Board of the Rockfeller Foundation has, I believe, to be finally settled in consultation with him. I solicit early orders of Government. in order that the candidates may get ready to start, so as to be in time for this year's session.

Yours sincerely,

W Rhemood

D.O. No.

OFFICE OF THE
SANITARY COMMISSIONER WITH THE GOVERNMENT OF MYSORE

Bangalore, 2nd July 1927.

Dear Dr. Sweet,

With reference to our personal conversation, I write to say that the four Medical Graduates proposed to be sent to America for training will be required to enter into an agreement to take up service in the Public Health Department of this State, - before they sail for America. All these four young men are at present receiving a stipend and are undergoing a preliminary course of instruction at the Entomological and Public Health Laboratories in the expectation of having to sail for America in August next. Provision is also made in the coming year's budget to meet the expenses of training of one of the candidates, as desired by Dr. Kendrick.

I request you to very kindly arrange by cable for the admission of these candidates for the next session, which, I understand, begins in October 1927.

Yours sincerely,

Sd. Md. Usmon,

(by the Federation)

3) Dr. Sweet has been asked to form an approximate idea of the lines of work which may have to be carried out after his investigation is completed and chalk out a course of training for the 4 students. He has also been asked to ~~[illegible]~~ make sure that the Mysore Govt. are going to take these men into their P. H. Dept. A further point, though it does not arise just now, is that the Federation want the Govt. to give as many scholarships as the Federation itself.

(e) Dr. Sweet told me that the students will have to leave for U.S.A. about the end of August and that he will give him a rough idea of the lines of work which will have to be pursued. He will therefore be in a position to say what courses our students will have to undergo. He has accordingly called to his people in America to sanction three scholarships alone so as to permit of an student leaving next month for America. He has been two of the students and feels they will make very efficient

Dear Dr. Sweet,

Will you kindly write to me or the Senior Surgeon, if you have not already done so, about the granting of Scholarship by the International Health Federation to three of our Students ?

Will you kindly favour me with the details -- about the amount of Scholarship and the other facilities which will be given to these Students. I want these details in connection with the grant of similar concessions to Mr. C. V. Nataraian.

I shall be obliged if you will kindly treat the matter as urgent and send me a reply as early as possible.

61 BROADWAY, NEW YORK
CABLE ADDRESS "ROCKFOUND"

Care Senior Surgeon in Mysore,
Bangalore.

July 24, 1927.

Dear Mr. Ranga Rao,

It gives me great pleasure to tell you that I have received a cable from Dr. Heiser stating that the three fellowships have been approved by the Rockefeller Foundation. The men selected are to be in the United States in time for the next term of school which begins about October first.

These fellow-ships are tenable for one year and the men are sent to such school as may be decided by the Fellow-ship Adviser of the Foundation, in consultation with the men and the representative of the Foundation in the country from which they come. The stipend amounts to $120 for a single man and $180 for a married man. This stipend begins on arrival at the place of study and is not paid previous to such arrival. The Foundation pays actual travelling expenses of the fellow from his home to the place of study and return; also travel expenses on any change of station during the period of the fellow-ship. Travelling expenses include such items as boat and rail fares, hotel expenses, trams, carriages or taxis, baggage expenses, necessary tips, meals and laundry during the trip. Meals will be paid for during the first 24 hours after arrival at place of study and hotel room for three days after such arrival. After that period all expenses are borne by the fellow from his stipend. The Foundation also pays for tuition and laboratory fees, rental of lockers etc., without deducting such sums from the stipend. The fellow pays for text books, breakage and other incidentals.

In some instances the Foundation has made arrangements to pay the stipend of the fellow and other expenses in the United States for Government fellows and renders a bill to Government for the amounts expended. I would be glad to suggest such an arrangement should Government desire it. In speaking to Dr. Usmon, I suggested that I make arrangements for the reservation of the steamer space of the Government fellow with that of the other three. I have been doing this tentatively through Cooks office in Madras and will be glad to continue should Government desire, asking Cooks to submit the bill to Government. In this way the four fellows could travel together throughout their trip. I have asked for second class passage to London and Cabin class across the Atlantic.

I neglected to mention that the Foundation has no provision for the payment of an advance to fellows for equipment, such as the Government of Mysore is accustomed to making. The Foundation urges that baggage be kept down to a minimum and advises that no scientific equipment, such as microscopes etc., be taken. Duty on such articles in the United States is very high and excess rates on heavy baggage are also high.

On the completion of the term of the fellow-ship, the Foundation pays actual travelling expenses back to the place of appointment. There is provision for an extension of the time of the fellow-ship beyond the first year, provided the teachers of the fellow recommend such extension and the representative of the Foundation who in the country and Government think that he can be spared for the extra period. Extensions of time are, however, for various reasons rather rare.

I hope that this will give you the necessary information. I will be glad to help you in any way I can, so please do not hesitate to call on me at any time.

Yours sincerely,

W. C. Sweet, M. D.,
Representative in Mysore.

Subject :—

Deputation of four Mysore Medical Graduates to America for training under the International Health Board of the Rockfeller Foundation

I beg to invite gracious reference to paragraphs 7 and 8 of Submission Note dated the 23rd November 1926. In accordance with the understanding referred to therein, a reference was made by Dr. J.F. Kendrick to the Rockefeller Foundation in New York and a reply has been received through Dr. Sweet that the Foundation have granted a scholarship to each of the three marginally noted students. The stipend amounts to 120 dollars a month in the case of a bachelor and 180 dollars in the case of a married man. The Foundation also bears the travelling expenses of the candidates from here to New York and back, and in case the students do well, they may increase the period of their training by a year more. The terms offered by the Rockefeller Foundation are exceedingly liberal and a letter of thanks has also issued to Dr. Kendrick.

Mr. B.Ananthaswami Rao, B.Sc., M.B., B.S.,
Mr. M.Ramachandra Rao, B.A., M.B., B.S.,
Mr. T.Chandrasekharaiya,B.A., M.B., B.S.,

It has also been decided that a fourth scholarship may be given to one of our students (Mr. C.V. Natarajan, B.Sc., M.B., B.S.) on the same terms as to the other three to undergo training in Bacteriology.

A Government Order on these lines has issued with the approval of the Dewan as the candidates had to start on the 8th August 1927. The papers are submitted for His Highness' gracious perusal and approval.

R Maudy

No. C.1-

Enc.....

Office of the Sanitary Commissioner
with the Government of Mysore,

Bangalore, dated the 20th July 1927.

From

B. MAHOMED USMON, ESQ., L.M. & S.,
Sanitary Commissioner with the Government of
His Highness the Maharaja of Mysore, BANGALORE.

To

R. RANGA RAO, ESQ., B.A.,B.L.,
General Secretary to the Governmentof
His Highness the Maharaja of Mysore, BANGALORE.

Sir,

In continuation of my D.O. letter No. C.1-3 dated the 1st Instant, I have the honor to state that Dr. Sweet informed that out of the four candidates to be deputed to America - the three men that have to specialise for District Health work will be reckoned as International Health Board scholars and the candidate who has to specialise in Bacteriology - viz., Mr. C.V. Natarajan, as a Mysore Government scholar I request that you will be so good as to move Government for the grant to this candidate of all the facilities usually provided viz., an equipment allowance of Rs 250/- and a monthly allowance of Rs 50/- (in addition to scholarship) for the maintenance of his family during his absence on deputation. I consider these concessions absolutely essential as Mr. Natarajan has been in receipt of a very meagre allowance and cannot be expected to be in a position to do without help of this nature.

I have the honor to be,

Sir,

Your most obedient servant,

Sanitary Commissioner, M.G.

A.R.M.

(24

representative of the Foundation in Mysore. The stipend amounts to $ 120 per mensem for a bachelor and $ 180 for a married man, the payment of the stipend beginning on arrival at the place of study. The Foundation pays the actual travelling expenses of the candidate from his home to the place of study and return and travelling expenses on any change of station during the period of Fellowship including such items as boat and rail fares. hotel expenses. trams. carriages or other conveyances. baggage expenses, meals, laundry etc. The stipend will be in addition to tuition and laboratory fees.

The three Fellowships referred to above will be awarded to Messrs. B. Ananthaswami Rao, B.Sc M.B.B.S., M. Ramachandra Rao, B.A., M.B.B.S. and T. Chandrasekharaiya, B.A., M.B.B.S.

3 Government are also pleased to sanction a ~~Fellowship~~ Scholarship of an amount equivalent to $ 180 per month to Mr. C.V. Natarajan,* B.Sc., M.B.B.S on the same terms as the Fellowships awarded by the Foundation. Mr. Natarajan will not be entitled to any additional allowances for family maintenance

*This gentleman is married 29/7

4 In addition to this Government are pleased to sanction a sum of Rs. 250 to each of the four candidates referred to above for expenditure in connection with their inttial equipment.

In addn. Rs 1000 for one is sanctioned to Sanchar a sum of Rs. 250 each for four Candidates ref. to above for expenses in connection with their initial equipment this will be treated as a loan.

5 Dr. Sweet is requested to make arrangements with the Foundation for the payment of the stipend to Mr. Natarajan and render a bill for the amounts expended on him. He is also requested to arrange for the reservation of ——

(25

steamer space for all the four candidates, passage to London being in the Second Class and cabin class thereafter ~~Submit~~ forward bills as usual for the expenses of the ~~Govt. Student~~ Dr. N.

6 (The expenditure incurred on ~~the~~ travelling by Mr. Natarajan will be met by Govt. on presentation of bills by Dr. Sweet

The S.S. is requested to see that the approved four candidates get aboard expeditiously
